Community Discussion at Board Meetings

The Board is elected by, and represents, the members of the Stargate Community. Accordingly, all members of the community are cordially invited to attend all open meetings of the Board. Open mic is a time for public comment and is part of every regular Board meeting. Public participation outside of open mic must be kept to a minimum so the Board can proceed with its agenda within a reasonable time. Should public discussion be requested on agenda items, whether by the Board or the community, it will be noted as such on the agenda.
